Currently under construction the newest project in the portfolio of CRAGSA quality developers. Following close on the heels of the success of ZENITH Condominios, recently completed in April 2016, this exciting new project is just 2 blocks from Los Muertos Beach in the most sought after ZIP code in PV:

Right in the heart of the thriving Romantic Zone of PV, Pavilion offers its buyers exceptional design, quality and style at affordable prices. Joining the skills of Successful Architect Paolo Rojo and his team at Arquitectos Asociados and CRAGSA the building has plenty of character and flair whilst being also being practical and functional.

62 units in total. Ground floor commercial spaces and 6 levels of construction above with the common lap pool and lounge area being located on level 5 offers Vallarta a unique new design concept. **Additional charm and style with 2 common areas featuring a lap pool on level 5 with gorgeous south shore views and also on level 8 with our spectacular rooftop garden, relaxation pool, fountains, walkways, 2 heated Jacuzzis, fitness room and lounge seating.**

Our available unit prices start at just **\$198,000 USD** for 1 bed 1 bath
