IC_ESTUDIO

IC Estudio

IC Estudio, responsible for the architectural design of OLYMPIA, is led by its founder, architect Ignacio Gómez, a native of Puerto Vallarta and graduate of the Tecnológico de Monterrey. His approach is distinguished by combining innovative functionality with an aesthetic that harmoniously adapts to the environment, maximizing the efficiency of each space.

DECO Designers

In 2009, Cheko Pérez and Marce Gallo founded DECO Designers with the vision of creating functional and timeless spaces, adapted to a variety of styles. Their residential design unites function and style, integrating space, aesthetics, and technology in collaboration with the owners.

Location

-  300 meters - Agustín Flores Contreras Municipal Stadium
-  800 meters - Soriana Híper
-  900 meters - Beach Access
-  1.1 km - El Barracuda Restaurant
-  1.6 km - Boardwalk
-  3.2 km - Romantic Zone

Key Points

Located in the Lázaro Cárdenas neighborhood, minutes from the best of Vallarta: Zona Romántica, beaches, recreational centers and steps from the Municipal Stadium.

Enjoy the pool, gym, sauna and more amenities for your well-being in exclusive areas where luxury and comfort create a unique experience.

The contemporary design of the units provides a feeling of simplicity and elegance, while their large windows allow natural light to flow freely.

INVESTMENT

OLYMPIA offers certainty and security to investors, backed by the solid alliance between ELEMENT DESARROLLOS CREATIVOS and GOVA, guaranteeing high added value with innovation and quality that ensures sustained growth in investment.
